

S.DEEPTHI

Assistant Professor

Department of Electrical & Electronics Engineering

PSG College of Technology, Coimbatore – 641 004

e-mail: sdp@eee.psgtech.ac.in

EDUCATION

POSTGRADUATE

(May/2013)

Applied Electronics
PSG COLLEGE OF TECHNOLOGY
Anna University

UNDERGRADUATE

(May/2008)

Electronics & Communication
Avinashilingam College of Engineering

EXPERIENCE

June 2013/Till Date

Assistant Professor
PSG COLLEGE OF TECHNOLOGY

DEC 2009/JUNE 2011

Project Developer
SRM INFOTECH

COURSES HANDLED

UNDERGRADUATE

Digital Electronics
Computer Networks
Computer Architecture
Operating Systems

POSTGRADUATE

Digital System Design and Testing

PUBLICATIONS

INTERNATIONAL CONFERENCES

Deepthi S, "Module level fault diagnosis for analog circuits based on system identification and genetic algorithm", International conference on Intelligent and Efficient Electrical Systems, ICIEES'13, Pages 6-8, April 2013, Coimbatore.

SEMINARS / CONFERENCES ORGANISED

Coordinator - National Workshop on Innovations in Cable technology

SEMINARS / CONFERENCES ATTENDED

Faculty Development Programme on

- Embedded & Real Time Software and Systems
- Pedagogy for Effective use of ICT in Engineering Education
- Emerging Research trends in Networking using GENI Test beds-A virtual lab approach
